Chief Secretary to the Government of His Highness
the Maharaja of Mysore, Bangalore.

SECRETARIAT 18 JUNE 1931

SIR,

I have the honour to state that in the months of December 1930 and February 1931, a large quantity of Schedule forms for practice and preliminary enumeration, and of slips for slip-copying had to be sent to the various charges. Large bundles were sent to taluk headquarter stations all over the State, in some cases by buses and in others by train according to convenience. Some responsible official had to go to the Railway Station and to the Bus stands almost every day for nine days in December and nine days in February. I deputed my Head Clerk to attend to this work and he had to incur the some expenditure in going from the office to the station and to the bus stands often at short intervals for despatching the bundles. On his representation made by him I allowed him out of pocket expenses for hire of conveyance at an average of annas twelve a day for the 18 days. The amount has been paid to the Head Clerk. The Comptroller has since stated that this amount cannot be met out of "Contingencies". I have the honour to state that the expenditure was inevitable and that it has been kept to the minimum and as it is a reasonable charge debitable to Office Contingencies, to request that sanction of Government may kindly be obtained to it.

I have the honour to be,
Sir,
Your most obedient servant,

M Venkatesa Iyengar

Census Superintendent.
